## Your support for United Way is creating opportunities for a better life for all.

Together, we are strengthening the pillars of strong families and the building blocks for a good quality of life – income, education and health. Because we all WIN when a child succeeds in school, when families have good health, workers have solid jobs and when neighborhoods become stronger.

Now, with your help, United Way is embarking on a bold new vision for Chicagoland. **LIVE UNITED 2020** is United Way of Metropolitan Chicago's decade long vision to transform communities of greatest need throughout our region.

Our goals are ambitious. But we know there is unstoppable power in the connections that result when we all work together toward common goals.

Within communities of greatest need, over the next ten years, United Way is focused on the following:

- INCOME** > Advancing economic stability for **100,000** households
- EDUCATION** > Helping **50,000** underperforming middle school kids enter high school ready to succeed
- HEALTH** > Connecting over **200,000** people with available, preventative health services
- CRISIS** > Across the six-county region, United Way will answer the immediate crisis needs of **1 million** people every year by providing shelter, food and freedom from violence

It takes an entire community to make a difference and we need you. Join us. You can GIVE, you can ADVOCATE and you can VOLUNTEER. That's what it means to LIVE UNITED.
