## The *Education Initiative* Challenge Grant (Up to \$50,000)

Nicor encourages each of us to support United Way through the *Education Initiative*. All new and increased Leadership gifts designated to this initiative will be matched 1-to-1.

The *Education Initiative* is aimed at increasing high school graduation rates by zeroing in on two key transition areas in a child's life; ensuring they enter kindergarten ready to learn and transition successfully from middle school to high school. Our goal is to help 50,000 underperforming middle school kids enter high school ready to succeed.

For more information about the *Education Initiative*, visit [LIVEUNITEDchicago.org/Education](https://LIVEUNITEDchicago.org/Education).

The United Way logo consists of the words "United Way" in a sans-serif font, with "United" on the top line and "Way" on the bottom line. To the right of the text is a circular icon containing a stylized figure of a person with arms raised, standing on a globe.
